In Re: OnStar Contract Litigation

Case No. 2:07-MDL-01867

Honorable Sean F. Cox

**ORDER REGARDING OBJECTIONS TO
MAGISTRATE JUDGE'S DISCOVERY ORDERS IN THIS MATTER**

Plaintiffs filed a motion seeking to compel certain discovery from Defendant OnStar and that motion was referred to Magistrate Judge Paul J. Komives. After briefing and oral argument, on October 20, 2009, Magistrate Judge Komives issued an "Opinion & Order Deeming Resolved in Part and Granting in Part Plaintiff's Sealed September 1, 2009 Motion to Compel Production of Documents from Defendant OnStar" (Docket Entry No. 162) ("the October 20, 2009 Opinion & Order").

Thereafter, OnStar filed its "Objection to Order of Magistrate" (Docket Entry No. 172).

Considering the nature and volume of discovery disputes in this MDL action, the Court concludes that, before the Court substantively reviews any party's objections to a discovery order issued by the Magistrate Judge assigned to this matter, the objections should first be presented to the Magistrate Judge in the form of a motion for reconsideration. If the objecting party still has objections following the Magistrate Judge's ruling on the motion for reconsideration, the Court will then substantively review the objections.

IT IS SO ORDERED.
